

NOMINATION FORM

NCMA Lifetime Achievement Award

CRITERIA

- The contributions of the nominee should have a lifetime or generational impact on NCMA or the industry.
- Nominees shall have provided significant leadership through NCMA through offices held or through other service. The duration of the service of the individual as well as the magnitude of contributions will be considered.
- Nominees should no longer be active on a daily basis of employment within the industry. (Waivers to this criterion can be considered in special circumstances)
- Recipients should be associated with or retired from a member company in good standing or from the association.

SECTION I - Basis of the Nominee

Name of Nominee _____
Company _____

Biographical Data (Provide as much information as known on positions held within the industry and other relevant biographical information.)

What is the current work status of the nominee? (fully retired, semi-retired, consulting, employed, etc.)

SECTION II - Nominator

Provide your name and contact information as the individual submitting this nomination.

What is your relationship to the nominee? _____

SECTION III - Basis of the Award

Any or all of the following types of service shall be considered as the basis for nominating an individual for the Lifetime Achievement. Please check those that apply.

- Extraordinarily productive service in NCMA committee work over a substantial period of time.
- Extraordinary leadership in critical roles of responsibility for the association.
- Extraordinary contributions to the NCMA's advocacy efforts relative to codes and standards or government affairs.
- Extraordinary contributions to NCMA's efforts to influence decision makers, educate industry professionals, improve installer workforce, or support university outreach programs.
- Extraordinary contributions to expand NCMA's membership, influence, or reputation.
- Extraordinary direct or indirect contributions to improve NCMA's fiscal or operational strength.
- Extraordinary contributions in improving the manner in which concrete products are manufactured, used, designed, or installed.

SECTION IV - Citation

Provide recommended citation consisting of one carefully prepared sentence that illustrates why the nominee is receiving the award. This wording should be designed to appear on the plaque or communications if the nominee is selected. Please be specific and succinct; mention NCMA, but do not include the length of service in the citation.

SECTION V - Contributions

Provide descriptions of contributions and the significance of those contributions by the nominee in the following areas.

NCMA leadership roles held.

Service on NCMA committees.

Leadership positions on or outreach roles to related organizations.

Specific contributions.

SECTION VI - Award Submission

Submit award nomination forms to

Brittaney Thompson ▪ National Concrete Masonry Association ▪ 13750 Sunrise Valley Drive ▪ Herndon, VA 20171
Phone 571.224.9595 ▪ bkamhong@ncma.org ▪ Fax 703.713.1910

Deadlines

- Those award nominations received on or prior to **December 1** will be considered for possible final approval at the immediately following NCMA Annual Meeting.
- Those award nominations received on or prior to **June 1** will be considered for possible final approval at the immediately following NCMA Annual Meeting.
- Nominees will automatically be considered for a period of three years without requiring an additional nomination. After three years, nominees will be removed from consideration unless a new nomination is submitted.
